ABOUT ME

Results-driven Digital Marketing Coordinator and Design Specialist with 5+ years of experience in social media strategy, content creation, and brand marketing. Currently leading marketing for Global Medics and Medacs Healthcare at MGG Health, owning social media end to end across LinkedIn, Instagram, and Facebook, plus events and merchandise. Background in performance marketing across Meta and TikTok, with experience briefing and managing specialists who run paid media. Skilled in campaigns that lift engagement, generate leads, and strengthen brand identity. Proficient in Adobe Creative Suite, video production, and marketing analytics.

SKILLS

- **Social Media Management:** End-to-end LinkedIn, Instagram, and Facebook — strategy, content, publishing, community management, and reporting.
- **Social Media Advertising:** Experienced in Meta Ads Manager, Instagram, and TikTok Ads for lead generation and ROI. Able to brief and manage people handling paid media.
- **Events & Merchandise:** Plan and deliver brand events and merchandise programmes that support visibility and stakeholder engagement.
- **Campaign Strategy & Content:** Full-funnel campaigns and branded assets (ads, reels, posts, landing pages) aligned to voice and conversion goals. Skilled in short-form video with Premiere Pro, After Effects, and TikTok tools.
- **Influencer & PR Management:** Identify, negotiate, and manage influencer partnerships to boost brand visibility and engagement.
- **Analytics & CRM:** Google Analytics, Meta Insights, LinkedIn Analytics, Shopify, Klaviyo, and Dreamweaver for reporting, automations, and newsletters. Familiar with SEO/SEM.
- **Collaboration:** Work cross-functionally with sales, clinical, and creative teams, and manage specialists delivering paid media.
